

= 2022 Summer Pony Camp at Nihon Trekking in Iida, Nagano =

The best place for kids to spend the Summer Holidays!

Having your own pony or a horse to take care of, riding lessons, hacking in the mountains, meeting new friends and plenty of other fun summer activities all day long.

This year we offer 8 camps.

Summer Pony camps are 4 - 6 days overnight camps for ages 7 - 18. No prior riding experience or Japanese skills needed.

※Schedule may change due to various reasons.

【 Insurance Policy 】

Each camper is covered by accident insurance which covers up to specific amounts in the event of accidental injury during the camp.

Compensation details: (90 days limit for outpatients) 5,000 yen / day, (180 days limit for inpatients) 10,000 yen / day.

We provide accident insurance for all campers to cover injuries during the full duration of the camp; starting the transportation to the camp until arriving back home on the final day.

【 Covid 19 Infection Control 】

Children who have not been vaccinated three times should take a PCR test before participating. (For further details, please see the attached sheet or the website.)

We will ask the campers to wear masks indoors , and carefully wash hands and gargle to prevent infections.
