I agree with the education philosophy of your pony camp and would like to send my child to your camp.

I have fully understood that horseback riding and educational activities that include using ponies and horses, which are big animals with their own will, can be dangerous. I consent to have our child to follow the rules, safety instructions, and be aware of any possible dangerous situations to avoid any accidents. I fully understand that in case of an accident, injury or illness, Nihon Trekking Co., will not be held responsible. In case of a such occurrence, I give my consent to Nihon Trekking Co., and any of it's employees or representatives to have my child treated by any physician or surgeon for sudden illness or injury while participating in the pony camp.

I would like to apply for the pony camp with the entrance fee ¥5,500. (Please add the entrance fee to the participation fee when making the payment.)
